Sarah:

Per your request, attached please find an initial list of potential Settling Parties. Until we receive final confirmation that a company will be a signatory to the RI/FS Settlement Agreement, this list will be subject to further revision. In addition, we anticipate that there may be some additional changes to the company names as well.

Also attached is a draft of the Trust Agreement with our suggested revisions to the model form of trust agreement, subject to the following caveat. The CPG's final position with respect to the terms of the Trust Agreement will depend in part upon the final version of the RI/FS Settlement Agreement and the Amendment No. 2 to the 122(h) Settlement Agreement.

Furthermore, these documents are provided pursuant to our ongoing settlement negotiations and subject to the Confidentiality Agreement between EPA and the CPG.

Thanks for all of your efforts,

Emily
